**Room information:** Room set up and take down are to be done during the rented room time. Please note that early access to rooms is not permitted. Many renters book 2 hours to accommodate this. If your room comes equipped with a refrigerator it may be used during your rental times. Please ensure that you are prepared with a cooler for your food as we are not able to put items in a refrigerator prior to your rental times. This is for insurance and liability reasons.

Please note that candles are not permitted in the complex.

**Insurance**

Renters are required to have insurance.

We have insurance at the current rate of \$4.32 per hour/ per location.

**Please note that the pool admission policy is in effect for rentals.**

**ADMISSION POLICY FOR RECREATIONAL SWIMS**

WAC staff members are experts trained in aquatic emergencies. They are required to supervise all patrons in the pool and cannot act in a childcare capacity. Parental supervision of all children under 10 years of age is strongly recommended during all pool visits.

**Children aged 6 and under and children 7 – 10 years who are weak or non- swimmers**

- Must be accompanied by a responsible parent or guardian 13 years of age or older who is responsible for their direct supervision. A Maximum of 2 children for each parent/ guardian
- Children wearing personal flotation devices (water wings, lifejackets etc.) must be supervised at all times

**Children aged 7 to 10 years of age who are strong swimmers**

- May be admitted into the pool without direct supervision provided they are able to demonstrate the ability to pass the Aquatic Swim test. This test consists of a 20 meter swim on the front putting the face into the water at least once, 15 second tread and a 20 meter swim on the front or back. This must be completed comfortably by the swimmer without stopping or putting their feet on the bottom.
- Parents/ Guardians must remain in the facility until the swim test is completed successfully. If the child is unable to complete the swim test, the Parent/ Guardian will be required to participate in the water with the child.

**“Direct supervision”** is defined as being in the water within arm’s reach and able to render immediate assistance.

Persons who have known seizure disorders or other serious medical disorders are at greater risk while swimming. Those individuals should be accompanied and supervised by another individual knowledgeable about their condition.

Rental availability given at the time of inquiry is what is currently available. Please note that we do not hold rental times during the inquiry stage. We require all the required information to begin your rental booking. Please book your rental early as we are required to give staff members notice for changes in their schedule.
